groupiehead.com(TM)

ATTENTION Bands, Musicians, Performers, DJs...

Add your photos, audio files, videos, website links and more to the calendar pages of the clubs you play!

You've got a great show coming up, but the club website schedule has a typo in your name, your website address is wrong, and they never posted the new photo that you sent them! With Groupiehead.com(TM) that will never happen again. Why? Because now you're in control! Once a club starts using Groupiehead.com(TM) for their online schedules, you can control what photos are posted and what website links to use... even post your official website AND your myspace.com page! Add audio files and video clips too. You control your entire listing and not just for one club, but EVERY club that uses Groupiehead.com(TM).

Automated Mailing Lists: Groupiehead.com(TM) also comes with an automated email feature that sends your performance schedule to everyone who signs up! Every time your listing shows up on a club website, fans will have a chance to sign up for your mailing list. Best of all... you don't have to do a thing. We'll track all your stats and subscribers... you watch your "groupies" grow!

Tired Of Calling Clubs To Book Your Band? With Groupiehead.com(TM), let the clubs come to you! Once you sign up, you'll have the option of advertising to all the clubs that use Groupiehead.com(TM). When they log-in, they'll know who you are. You tell Groupiehead.com(TM) what areas you're willing to travel to, and Groupiehead.com(TM) will let those clubs know that you're interested in playing there!
